Amsterdam, 5 July 2012

Notice is hereby given by the Issuer that in accordance with the Terms and Conditions of the Notes, each of the Put Option Noteholders has the right to exercise the Put Option and to offer to the Issuer any or all Put Option Notes held by it for redemption on the 25th of July 2012 (the 'First Put Date'). The Put Option Notes in respect of which the Put Option is exercised may be redeemed, subject to, amongst others, Condition of the Notes 9, on the First Put Date.

The Issuer has received a letter from the MPT Provider stating that it will not, and also does not have the financial means to, grant the Servicing Advance loan on or before the First Put Date. Furthermore, the Issuer has reason to doubt that it will succeed in finding any third party which would be willing to purchase Mortgage Receivables or to provide the Servicing Advance loan on or before the First Put Date, at the terms provided for in the relevant documents. Consequently, the Issuer expects not to have sufficient funds available to redeem the Notes which are subject to redemption on the First Put Date.

To exercise the Put Option, the Put Option Noteholder must deliver, at the specified office of the Paying Agent at any time during normal business hours of the Paying Agent by no later than the 13th of July 2012, a duly completed and signed notice of exercise in the form obtainable from the Paying Agent together with the relevant instruction as required by Euroclear and Clearstream, Luxembourg (the 'Put Notice') in which the Put Option Noteholder must specify a bank account to which payment is to be made under Condition of the Notes 6(e) accompanied by the Put Option Note(s) or evidence satisfactory to the Issuer that the relevant Put Option Note is upon delivery of the Put Notice, held to its order or under its control.

In the light of the Issuer's expectation that it will not have sufficient funds available to redeem the Notes which are subject to redemption on the First Put Date and as to avoid that Notes would unnecessarily be blocked for trading from the moment of exercise of the Put Option by a Put Option

Noteholder up to the First Put Date, Put Option Noteholders are hereby informed that the Notes in relation to which a notice of exercise of the Put Option is delivered will not be subject to blocking up to the First Put Date. Noteholders that had intended to exercise the Put Option would the Issuer have been in a position to honour such exercise or who regardless thereof wish to exercise the Put Option, should deliver a notice of exercise.

In accordance with Condition 4(e) the Extension Margins and assumed remaining average lives ('r.a.l.') are as follows:

Class of Notes	Extension Margin	Assumed r.a.l.
Class A Notes	2.85 per cent	8.67 years
Class B Notes	4.50 per cent	8.67 years
Class C Notes	6.25 per cent	8.67 years
Class D Notes	7.75 per cent	8.67 years
Class E Notes	13.00 per cent	20.75 years

We refer to Condition 4(e) (Determination of Extension Margins) of the Terms and Conditions of the Notes, whereby Citigroup Global Markets Ltd. as the Extension Margin Agent shall determine the Extension Margins at least twenty two (22) days prior to the First Put Date, by selecting a panel of five of the then leading European securitisation underwriters to obtain quotes for the Extension Margins. The Extension Margin Agent has only been able to obtain quotes from a panel of two (rather than five) leading European securitisation underwriters and, with the consent of the Issuer and the Security Trustee, has therefore determined the Extension Margins based on the two quotes received.
